EXT. OPEN FIELD - DAY

1

Bright green grass shines upon a field. A college campus glistens in the background. A yellow cleat steps in as we pan up to see a tennis ball in sock ball velcroed to a butt. This is the HUMAN SNITCH. \*

LARRY (V.O)  
Welcome to Quidditch. A game of  
epic proportions.

A hand reaches to grab the tennis ball. The human snitch push down SEEKER #1 to the floor. His broom flies a few feet away. A group of SPECTATORS cheer on. \*

LARRY (V.O)  
A game played and seen by thousands  
of college students. \*

We zoom out to see only 7 spectators seated at the bleachers. \*

LARRY (V.O)  
Ok, maybe not thousands. \*

SEEKER #2 comes from behind and attempts to catch the snitch but the snitch dodges and runs away. A chaotic scene ensues as we see 14 QUIDDITCH PLAYERS on broomsticks playing the magical game.

LARRY (V.O)  
Chasers run with the Quaffle to  
score goals, as beaters beat others  
to defend their team with Bludgers,  
and the Keeper defends the three  
hoops standing at the end of each  
side of the field. \*

JON (21), the Quidditch Captain, red hair and well built college senior whose good looks can't be ignored, leads the team down the field to score a goal. \*

LARRY (V.O)  
That is Jon, our captain and the  
pretty face of the team. Also, one  
of the most popular guys at the  
university and named most likely to  
become a billionaire.

FREDRIC (20), tall, blond and pale as a vampire, is thrown the quaffle but quickly gets beat by a bludger. \*

(CONTINUED)

RINNY (20), long red hair sways as she tackles OPPOSING PLAYER #1, and passes the ball back to Jon. Jon Scores a goal for the team. \*

LARRY (V.O)

I would say that Jon wins most likely to get herpes from all the women he has slept with in the past year.

Rinny leads the team down the field. \*

LARRY (V.O)

Don't tell Rinny though, she doesn't know Jon is cheating on her.

The team's keeper, DRACONY, a rich son-of-a-bitch, but most people call him Draco. He blocks the quaffle from entering the hoops. \*

LARRY (V.O)

I would consider myself one of the greatest Quidditch players of all time. \*

OPPOSING PLAYER #3 tries to beat Draco, misses and the bludger flies straight to....

LARRY (20) short, dark hair with round glasses, he resembles Harry Potter but less attractive than Daniel Radcliffe. The ball hits him straight in the face while he stands at the sidelines with the rest of the team. \*

LARRY (V.O)

But this is my reality. \*

Larry falls to the ground. A lightning scar bleeds on his forehead due to the force of the ball. Nobody notices it as the game continues. \*

Jon now plays seeker and tries to catch the human snitch.

Jon fights with the snitch. He tries to reach around to catch it. He grabs it! Jon holds the tennis ball up in the air as his team rushes to cheer him on. Larry stays by the sidelines. \*

The team returns to the sidelines as Jon begins his usual post-game speech. \*

(CONTINUED)

JON

Well done team! We did it once  
more! Draco, awesome defense!  
Fredric, try to dodge the bludger  
next time and Rinny, great tackling  
skills! So anybody have any  
questions?

\*  
\*

Larry raises his hand.

\*

JON

Yes Larry, you can pick up all the  
equipment. Chop! Chop!

LARRY (V.O)

Asshole.

\*

Larry starts dismantling all the hoops as the team starts  
the team chant without him.

\*

TEAM

Ha.Ha.Ha.Ha. Who are we? The  
Winning Team! Who are we? Family!  
Who are we? The Winning team! Who  
are we? Family! Ha.Ha.Ha.Ha

\*  
\*  
\*  
\*

LARRY (V.O)

All Assholes.

The team ends the chant and Jon hugs everyone on the team.

\*

LARRY (V.O)

It's fine really. Cause the story  
I'm about to tell you isn't about  
them. It's about me. This is the  
story of how I went from a nobody  
to a somebody. This is the story of  
how I became the captain of a  
quidditch team.

\*  
\*  
\*

Larry stares with hatred. Jon's face fills the screen as he  
hugs his teammates, a big smile on his face.

\*  
\*

LARRY (V.O)

And it all begins with the death of  
our captain.

\*

INT. CHAPEL - DAY

2

The same smiling face now hangs on a huge poster next to a casket. MOURNERS sit and cry at the chapel for the loss of Jon. The chapel is big! Windows complete its surroundings as candles hang from the ceiling, illuminating the chapel. The chapel closely resembles The Great Hall.

Larry sits by himself. The team on the other side of the chapel. Everyone cries except for him.

A PASTOR, old with a long white and shiny beard, strongly resembling Albus Dumbledore, stands up in front of a podium and speaks.

PASTOR

We have lost a great one today.

LARRY (V.O)

Whatever...

PASTOR

A man who did great things for this community.

LARRY (V.O)

Bullshit.

PASTOR

He suffered a very horrible and tragic death.

LARRY (V.O)

It was actually very easy to kill him. You zap him with a taser, drown him, cut him into pieces, stuff him in a garbage bag and throw him in the lake. So easy, even Lord Voldemort could do it.

PASTOR

We will always remember him for his long red hair and freckled face.

LARRY (V.O)

Ugh, Weasley.

PASTOR

Now all we can do is remember and be proud of everything he accomplished.

(CONTINUED)

LARRY (V.O)

Now all we can do is proceed to step two of my plan of taking over this team. Step one. Kill the Captain. Check.

INT. GYM - DAY

3

TITLE CARD: Three Weeks Later

SWEATY PALMS lifts up two weights. We open to see a Gym filled with SWEATY ABS and SWEATY BOOBS. A humongous FAT HAIRY MAN resembling Hagrid runs on a treadmill. \*

The Quidditch team stands on a corner. Ready for their workout sessions. Many aren't as fit as the sweaty people in the gym. Including Larry. Only Draco, Fredric and Rinny would fit right in. \*

DRACO

Now, I know it has been a rough few weeks but we must keep training as that's the only thing that Jon would have wanted us to do. \*

Rinny lets out a slight squeal. Larry rolls his eyes. \*

DRACO

I know we all wish I could stay president but we must do this as our founders intended us to. Fredric, bring the scroll. \*

Fredric pulls out a scroll from his gym bag, slightly resembling a Marauder's Map. \*

FREDRIC

Rule #394 of our team constitution states that if the captain of the team takes a leave of absence, quits, gets expelled, or dies. Then the previous captain before him or her must appoint the new captain of the team. \*

RINNY

The previous captain? You're not saying -

DRACO

Yes! Emma B Watson. \*

(CONTINUED)

Excitement around the team ensues. JAMES and OLIVER, red hair twins start jumping in excitement. \*

JAMES

Emma Watson is coming here!  
Hermione Granger will be in our presence!

OLIVER

We're going to have sex with  
freaking Hermione Granger -

DRACO

No, not Emma Watson. Emma B Watson,  
you know, the supermodel? \*

The lights of the Gym dim down. Everyone freezes except for the team. Fog rolls in from the floor. Spotlight shines on the door. The most exaggerated entrance begins.

The doors swing wide open!

EMMA B WATSON enters in slow motion.

The most beautiful woman anyone in this room has ever seen. Tall with long blond hair and a face like a porcelain doll. The perfect southern bell.

KELLI'S MILSHAKES plays as she slowly makes her way to the team. Sweaty men fall at the sight of her. Her hair sways from an unknown source of wind. She places herself in front of the Quidditch team. \*

How did this supermodel ever decide to play Quidditch? The world may never know. \*

EMMA B WATSON

(Sexy southern voice)

Hello team!

The Twins drool. The team claps to her entrance. She curtsies, flattered by everyone. People are hypnotized by her beauty. Except for Larry who rolls his eyes one more time. \*

LARRY (V.O)

Emma B Watson, she led the team for two years before she went on America's Next Top Model and won. Now she's touring the world and doing fashion shows. I don't know what others see in her.

(CONTINUED)

EMMA B WATSON  
I'm so excited to be back!!

OLIVER  
It's an honor to be in your  
presence. \*

EMMA B WATSON  
Don't be silly darling. I haven't  
really accomplished anything big in  
life. OK, maybe I did but who's  
keeping track right?! Now, you all  
know why I'm here.

Rinny squals. \*

EMMA B WATSON  
But we must continue and make this  
team stronger than ever. I've come  
up with the perfect plan to figure  
out who our new captain shall be.  
We shall be playing the Captainship  
Championship!!

Total Silence. \*

FREDIC  
The what?

EMMA B WATSON  
The Captainship Championship! It's  
simple. Four potential captains  
will compete in a series of  
challenges that will test if they  
have what it takes to lead this  
team! Any Questions? \*

Silence. Emma pulls out a Goblet from her bag. \*

EMMA B WATSON  
OK! Now, I've taken the liberty to  
put all your names on this Goblet.  
I will pull out 4 names and these 4  
will be in the running to become  
next captain! Ok? Ok? OK!

Emma reaches into the Goblet. \*

EMMA B WATSON  
Dracony!

Draco chest bumps Fredric. \*

(CONTINUED)

DRACO

Yeah!

EMMA B WATSON

Next competitor is...Rinny. \*

Rinny nods. Certain she will win for Jon. \*

EMMA B WATSON

Our 3rd candidate is....Fredric!!!

Fredric fist bumps Draco back. \*

EMMA B WATSON

And our final competitor  
is.....Larry! Larry? Who's Larry. \*

Larry raises his hand. Stares cut right through him like a million knives.

EMMA B WATSON

Well...Good Luck! And Good luck to  
all of you. Now lets light this  
shit up!

Emma grabs a lighter and sets the goblet on fire. \*

EMMA B WATSON

Woo! Goblet of Fire! Let the  
Championship Championship begin! \*

Larry, Draco, Rinny and Fredric stand next to each other, no  
idea what they have just gotten themselves into. \*

INT/EXT. GYM/OPEN FIELD - NIGHT/DAY

4

TITLE CARD: CHALLENGE #1

Song like Eye of The Tiger or similar plays. We switch back  
and forth from Larry training in the gym and to the open  
field from the start of the movie. \*

GYM: Larry puts on a headband. Ready for training. \*

FIELD: Small group of spectators gather to watch the first  
challenge. Signs, spirit sticks, clappers. Anything that can  
make noise is at hand.

GYM: Larry stretches. \*

FIELD: Larry, Draco, Rinny and Fredric, or the 4 Champions,  
walk onto the field and gather around Emma. \*

(CONTINUED)

GYM: Larry runs on treadmill. \*

FIELD: The 4 Champions stand one-by-one in front of a tall hoop. Ready for battle.

GYM: Larry Lift Weights. \*

FIELD: Emma, whistle in hand, raises her hand. We see a shot of each of the 4 Champions face, ready to win it all.

GYM: Larry looks fiercely straight into the camera. \*

LARRY (V.O)

I'm ready

FIELD: The spectators stand silently, ready for the whistle. \*

EMMA B WATSON

Ready?!

She blows the whistle. \*

QUICK CUT TO:

INT. LARRY'S DORM ROOM - DAY

5

Larry Dorm room looks like any other college dorm room. White jail-like walls. One Bed. One Desk. The Desk is cluttered with papers. The walls are decorated with scarlet and gold tapestries, resembling Gryffindor. \*

Larry sits on his bed, looking straight at the camera, just as he was in the Gym. \*

LARRY (V.O)

I lost. \*

Larry falls into his bed. Defeated

LARRY (V.O)

The imbeciles win this round. But there are still two more rounds to go. I can continue training, be a good sport and win fair and square.

Larry sits on his bed. Pondering his actions. \*

He sees a picture of the team framed by his bedside table. The team smiling happily. Larry is not in the picture. He grabs a sharpie and draws himself in. \*

(CONTINUED)

LARRY (V.O)

I can do that, but I can also make  
my odds rise slightly...

Larry, filled with anger, scribbles the entire picture with  
the sharpie till all you see is black in the portrait. \*

Larry looks to his desk. A chemistry book lays on top. Larry  
smiles \*

INT. CHEMISTRY LAB - NIGHT

6

Chemistry lab resembling a dungeon. A BEAKER holds a dark  
liquid spewing out of the glass. On a cage, a BIRD, sleeps.  
All is eerily quiet when the door opens and Larry enters,  
covered in a cloak which he strongly believes makes him  
invisible.

Larry moves slowly across the room to a stack of books on  
the teachers desks. He finds a book titled POTIONS &  
CHEMISTRY. Larry opens the book, only his hands leaving the  
cloak.

POV: Larry looks through the book till he finds THE KILLING  
POTION.

The door opens behind Larry. He's been caught! The lights  
turn on to reveal PROFESSOR SNAKE. The most evil professor,  
with the worst haircut, that you will ever meet. He speaks  
all his lines oh so slowly. \*

PROFESSOR SNAKE

Mr Potter, what are you doing in my  
classroom, so late at night. \*

LARRY

(Like a ghost)  
I'm not here. I'm just invisible. \*

PROFESSOR SNAKE

Do you find me a fool, Mr Potter?

LARRY

You can see me?

PROFESSOR SNAKE

Of course I can see you. I repeat,  
what are you doing in my office at  
this time.

(CONTINUED)

LARRY

I wanted to get ahead on my studies.

\*

PROFESSOR SNAKE

This is college, nobody gets ahead on studies. Stop lying to me. What is that in your hand?

Snake approaches Harry and takes away the book straight out of his hand.

\*

PROFESSOR SNAKE

The killing potion Potter? Who are you trying to kill?

LARRY

That's none of your business.

\*

PROFESSOR SNAKE

Do not insult me Potter or I will have you expelled from this institution.

\*

LARRY

Then I'll tell the entire university that you are banging my mother.

\*

\*

PROFESSOR SNAKE

Excuse me?

LARRY

I've heard you plenty of times when I went home for the weekends  
(imitating his mother)  
"Oh Snake! Snake! Harder! Harder!"

PROFESSOR SNAKE

You disgusting pig.

\*

LARRY

Look who's talking.

\*

PROFESSOR SNAKE

(Reluctantly)  
What do you want?

MONTAGE: Professor Snake and Larry "cook" a potion. We see STIRRING of a cauldron. MIXING of chemicals and even one of the potions make a tiny EXPLOSION.

We see Snake holding the final product in a small glass vial and handing it over to Larry as he makes a wicked smile.

EXT. BACK ALLEY OF IRISH PUB - ANOTHER NIGHT 7 \*

A WAITER, nerdy, resembling Neville Longbottom throws away the trash from the Pub he works at. \*

He sees a dark shadow stand behind his own. A knife raised high in the air.

BLACK \*

A shallow SCREAM

We see the waiter fall to his death. His face covered in BLOOD. His lifeless body is taken away. \*

INT. IRISH PUB - NIGHT 8

A Pub highly resembling the Three Broomsticks. Filled with COLLEGE STUDENTS left and right. It's an old building, covered in dust. People constantly coughing. Besides this, its one of the most popular spots on campus. \*

Fredric sits on a booth with his girlfriend CHU CHANG, they are making out with each other. This is not weird to anyone, it happens all the time at the pub. \*

Larry pops out of the kitchen, wearing a waiters uniform, slightly blood stained. A sharpie mustache on his face. He approaches Fredric and Chu's table. They continue to make out. \*

LARRY

May I take your order? Any drinks?

Fredric signals Larry to go away as they continue to make out. Larry walks away to serve the drink of doom! \*

LARRY (V.O)

Ugh, Young love. \*

Larry pours a drink from the soda fountain. Takes out the glass vial and pours the poison in the drink. He pours another drink for Chu.

Larry walks back to the table, drink hand in hand. Fredric and Chu continue to make out. \*

LARRY

Your drinks. \*

(CONTINUED)

FREDIC  
Yes, I'm thirsty!

Larry and Chu takes a sip of their drinks. Larry walks away to watch Fredric meet his demise. Chu starts choking. She can't breath. She soon starts convulsing.

FREDIC  
Chu? My Chu! What is wrong?

LARRY (V.O)  
FUCK!

FREDIC  
Chu! Chu!

Fredric's screams are starting to get the pubs attention. Larry runs over to the table. Grabs the poisoned drink and stuffs it in Fredric's mouth.

LARRY  
Drink you son of a bitch! Drink!

Fredric tries to push Larry away. To someone seeing this from behind, it would seem that Larry is trying to help the situation. Fredric starts coughing and convulsing. Larry lets the drink fall into Fredric's lap as he continues to convulse.

Larry runs away from the scene of the crime as he lets Fredric and Chu die in each other's arms.

EXT. FIELD - DAY

9

A NEWSPAPER is thrown on the ground. Headlines say "Another Quidditch Player is dead. Who's Next?. Towards the bottom, a sketch of a man with a mustache is drawn, resembling nothing like Larry with the subtitled "WANTED: Possible Murderer With Horrible Mustache"

EMMA B WATSON  
Well, we all know that was a very tragic death. But we must continue the captainship championship.

DRACO  
Are you kidding me? Jon and Fredric are dead.

EMMA B WATSON  
I'm sure continuing the championship is what they both would have wanted.

(CONTINUED)

RINNY  
I'm done! I quit!

DRACO  
Rinny stop. \*

RINNY  
No! My boyfriend is dead. One of my  
best friends is dead. \*

DRACO  
But you hated Fredric. \*

RINNY  
I meant Chu! Why does no one ever  
remember Chu!

Rinny storms out of the field. \*

EMMA B WATSON  
Let her be! Nobody liked her  
anyways. So I guess we are down to  
the two finalists. I'm going to cut  
this one short cause I don't have  
all the time in the world. Draco,  
since you won the last challenge,  
if you win the next one, you'll be  
the new captain. Larry...

Awkward pause. She knows he has no chance whatsoever. \*

EMMA B WATSON  
Good Luck! See you all tomorrow!

She blows her whistle. \*

INT. GYM - NIGHT

10

Larry trains for what he hopes won't be the last challenge  
because he will win! or so he thinks.

He does sit ups and pulls up. Determined to succeed. The gym  
is eerily quiet. He's by himself. Alone. \*

Larry's work out is interrupted as Rinny enters the Gym.  
She's obviously been crying. \*

RINNY  
Oh, sorry I thought it was empty. \*

(CONTINUED)

LARRY  
Spying on me?

RINNY  
No, I was just -

LARRY  
Just trying to figure out how I'm  
going to win the championship?

RINNY  
I already quit. I don't care about  
this stupid championship. What is  
your problem?

LARRY  
You're the problem. \*

RINNY  
What did I ever do to you?

LARRY  
Nothing! Nothing! That's exactly  
what you've done. No one has paid  
the slight attention to me on this  
team and I'm done with it!

RINNY  
You've never tried to get yourself  
known. \*

LARRY  
Because no one has given me the  
opportunity. And tomorrow, I'm  
going to win that championship  
against Draco and I'm going to  
become captain. YOUR captain. \*

RINNY  
So what?! I could care less!

Larry's face turns blue. Larry starts talking to himself.

LARRY  
Care? You don't care? You're  
supposed to care? What's the point  
of doing this if people don't care. \*

RINNY  
Larry? What is wrong with you?

(CONTINUED)

LARRY

Wrong? Nothing's wrong? Care?  
People have to care! People have to  
care!

RINNY

Larry you're scaring me. \*

LARRY

First I had to get rid of Jon,  
he was the main person getting in  
my way. \*

RINNY

Jon? Getting rid of of Jon? What do  
you -

Rinny realizes what Larry has done. She's figure out this  
kid is crazy. She needs to find a way out fast. Her life  
depends on it. \*

LARRY

And then I had to get rid of  
Fredric of course, he was too  
strong of a competitor. I never  
meant to to hurt Chu though,  
collateral damage I guess? \*

Rinny slowly backs away from Larry, heading towards an exit  
door.

LARRY

I've got to win this! I've got to  
win this--- Rinny, where are you  
going?

Rinny bolts as fast as she can out the door. Larry quickly  
follows. \*

LARRY

Rinny. Stop!

INT. HALLWAY - LATE NIGHT

10A

Rinny runs down the hallway. She looks back, as Larry  
follows close behind her. She finds an exit leading down  
towards a staircase. \*

LARRY

Rinny come back! I'm not going to  
hurt you! \*

INT. BASEMENT - LATE NIGHT 11

Rinny has made it all the way to the basement of the gym. She runs trying every door possible. She's terrified. She knows she's running for her life. No sign of Larry yet. She finds a door open and she enters to reveal - \*

INT. TROPHY ROOM - LATE NIGHT 12

A small closet, filled with forgotten trophies of year's past. She remains quiet. She grabs a trophy for protection.

She waits. FOOTSTEPS. He's near. They stop. \*

She waits. She places her face close to the door to hear. \*

A tiny breath indicating a sign of relief when Larry opens the door. Rinny startled, falls to the ground. \*

Larry pushes himself onto her, knocking the trophy she had in her hands out. \*

A power struggle begins. Larry on top of Rinny trying to fight her off. But she won't give up. She fights with all that she has.

RINNY

Help! Someone Help! Let go of me!  
Get your hands off me! \*

LARRY

Be quiet!

He slaps her. She's shocked by this. This does not stop her though, she keeps on fighting but Larry is surprisingly too strong. \*

Larry is close enough to the trophy where he can reach it. He does! He raises the trophy up in the air and brings it straight down like a knife! We don't see it directly but you can see it all in Rinny's face.

She's dying. She's lost the battle. \*

LARRY

You know, I liked you a lot. I never planned on killing you actually. I thought maybe one day in a fictitious novel, we might end up together with three children. I guess that's the difference between reality and fiction, but sadly though, this is reality. \*

Larry buries the trophy deeper. But we only see Rinny's face as she slowly dies.

INT. OPEN FIELD - DAY

13

The day has finally come! The same small group of spectators wait patiently for the games to start. Many hold signs saying "Go Draco". Others hold sign saying "Who's Potter?"

Larry and Draco enter from opposite sides of the field. Emma waits for them in the middle. Once they have arrived, she tells the small audience to quiet down.

EMMA B WATSON

Welcome! To what we hope to be the last challenge in the Captainship Championship!

Larry and Draco look at each other intensely.

EMMA B WATSON

The rules for this challenge are simple. Catch the snitch.

A tall man dressed in yellow from head to toe runs onto the field. The crowd cheers.

EMMA B WATSON

Any captain can easily be able to capture the snitch. A captain has 99 problems but a snitch ain't one.

She laughs at herself. No one laughs back.

EMMA B WATSON

See what I did there? HAHA. Ok now back to business. You will have all the time necessary to catch the snitch. The first person to catch it, wins! Get into position!

Larry and Draco stand on opposite sides of the field, broomsticks in hand. The snitch stands in the middle taunting them both. The snitch has no boundaries. They can do anything as they please.

EMMA B WATSON

Ready?

She blows the whistle!

The final two dash towards the snitch. The snitch stands in the middle up until the last second where it darts away.

(CONTINUED)

Larry and Draco both hit each face first and fall the ground.

This is not going to be easy.

The snitch darts towards the bleachers, the crowd cheers as the snitch rummages through them.

The final 2 follow through. The audience is being hit by the back of the brooms but no one cares. This is what Quidditch is all about! \*

The snitch runs from the spectators and through the hoops. The crowd cheers. Larry and Draco follow. \*

Larry gets close enough to the snitch to catch it but the snitch grabs him from the shoulders and throw him on the ground.

BAM!

Larry squirms on the ground. Hurt but this won't stop him. He gets back up.

Draco is doing his best to wrap the snitch so he can catch the ball. The snitch wraps him up also, and they both fall to the ground.

The snitch can't be caught while it's on the ground so the snitch gets back up and runs away. \*

Draco gets back up just as Larry swooshes by. Draco runs behind. Larry reaches out to grab the snitch. \*

Draco hits Larry straight in the face. Startled, Larry trips and falls. Draco gets close enough to the snitch, tries his wrap one more time and GETS IT!

The Snitch is in his hand!

Emma blows the whistle three times. The games are over. Emma runs towards Draco, snitch still in hand. \*

EMMA B WATSON

We have a new captain! Draco!

The crowd cheers! \*

Larry still on the floor. Defeated. Rage building up inside him. He gets up and grabs his BROOM by the hand.

Emma begins interviewing Draco, as if he just won a reality TV show. \*

(CONTINUED)

EMMA B WATSON

How are you feeling right now?

DRACO

I'm ecstatic! I can't believe I'm -

WHAM!

Larry hits him in the head with the broom. Draco falls to the ground head first. This does not stop Larry. He keeps on hitting him hard.

WHAM! WHAM! WHAM! WHAM!

Emma tries to get in between.

EMMA B WATSON

Larry! What are you doing! STOP!

Larry hits her too with the broom. One hit enough to knock her out. He continues to smash Draco's bloody face.

James and Oliver come running to stop Larry. They both grab him from behind and get him off Draco. He fights it. Draco is unresponsive.

He's dead.

Larry has reached a new level of crazy.

LARRY

LET ME GO! LET ME GO! THIS WAS MY CHAMPIONSHIP! MINE! MINE! MINE! I WAS SUPPOSED TO BE CAPTAIN! IT WAS ALL SUPPOSED TO WORK OUT THE WAY I WANTED! THIS WAS MY OPPORTUNITY TO BE GREAT! TO BE THE CHOSEN ONE!!!!

JAMES

I think he's gone mental.

OLIVER

Someone call 911! And the Police!

LARRY

AHHHHH!!!!!!!!!!!!!!

The crowd stands in silence and shock. Larry's screams are still heard as sirens begin to fade in from the distance.

INT. POLICE CAR - DAY 14

Larry sits handcuffed on the back of a police car. From his POV, we see Draco's body being placed in a black body bag.

LARRY (V.O)

Like I was saying before, this is the story of how I went from a nobody to a somebody.

The inmate looks up from the newspaper. \*

INMATE

So mate? You did all of this?!

We pan to see Larry laying on a bed wearing an orange jumpsuit. He's playing with a tennis ball. \*

LARRY

Yeah. \*

INMATE

Awesome mate! Best cellmate ever!

Larry laughs. A VOICE comes from the loudspeaker. \*

VOICE (O.S)

All Kazaban Inmates, your hourly break to the backyard begins now. \*

Larry gets up from bed.

EXT. KAZABAN PRISON - DAY

19

INMATES in orange jumpsuits pile out to the backyard section of the prison. Larry is among them. \*

LARRY (V.O)

So I became a legend back in my town. I ended up in every single news outlet you can imagine. Everyone knows my name now. I become known as the Boy Who Killed. \*

Larry keeps on walking to reveal a Quidditch Pitch. Inmates getting ready to play the magical game. \*

(CONTINUED)

LARRY (V.O)

This is my story. The story of how  
I became the captain of the Kazaban  
Quidditch Team. The #1 prison team  
in the nation.

\*

Larry gets his troops ready. He's refereeing this game. The  
inmates stand by each hoop, heads down, eyes closed. Ready  
to start the game.

LARRY (V.O)

And you know what? I couldn't be  
happier.

\*

LARRY

Ready?

The inmates grab their brooms firmly. Let the games begin.

LARRY
