EXT. STARSKIN HOME - DAY

We see the Starskin Home, a large mansion in Beverly Hills, CA. GUESTS in flashy outfits are walking in to the home with large birthday gifts.

INT. STARSKIN LIVING ROOM

KENNY STARSKIN, 14, handsome and blonde, is celebrating his birthday with his family. He is sitting on a birthday throne with his parents, CONNIE, tall, blonde, too much makeup, and CAM, who looks like an older version of his son.

The house is filled with music memorabilia, golden records, and other awards. Obnoxious portraits of the family are scattered around the home.

Guests come up to the family one by one.

TEENAGE GIRL

Oh my god happy birthday Kenny!!!
Oh my god I can't breath I love you
Kenny oh my god oh my god!!!

KENNY

Thank you! Thanks a lot.

A hot shot PRODUCER in a suit, sunglasses, and earrings walks up next.

PRODUCER

Congrats Kenny. We'll be seeing you soon.

KENNY

Yes thank yo-

CONNIE

You sure will! Kenny is very excited to start at Boy Band Camp!

A MIDDLE AGED WOMAN who has clearly had some plastic surgery steps up next.

MIDDLE AGED WOMAN

(singing)

Happy Birthday Mr. Starskin. Best of luck at caaaaaamp.

CONNIE

A little pitchy

KENNY
Dad who was that?

CAM
(whispering)
One of Brittneys old backup singers
from back in the '90s

CONNIE
That dress of hers belongs back in
the '90s

Cam and Connie giggle to themselves. Kenny gives the woman a look of sympathy.

CONNIE (CONT'D)
Kenny darling promise me you'll
never show up to a party looking so
unprofessional. We know you're
destined for greatness.

KENNY
Yes mom. Of course.

Next to approach is ROB and REBA TURNINGSTONE, holding a gigantic gift. They look very similar to the Starskins, except they all have brown hair. Both sets of parents seem happy to see each other. Ronny isn't so friendly.

CONNIE
Ohhhhh the Turningstones!!

REBA
Hey there Starskins! You know Ronny
will also be starting at camp this
summer!

ROB
Those were the days huh Cam?

CAM
You bet Rob. Miss it everyday!

The Turningstones start to walk away. Ronny approaches Kenny on his thrown.

RONNY
(condescending)
See you there.

KENNY
(confused)
Yea, uh, see you there.

INT. STARSKIN HOME - NIGHT

All the guests have gone home. There is an uneaten cake with Kenny's face printed on it. Butlers are cleaning the mess. None of Kenny's presents have been opened.

KENNY

Well that was a long day. Think its time to go to bed.

CONNIE

Super idea Ken! You'll need plenty of beauty rest for your first day at camp tomorrow! I'll have one of the stylists up in your room bright and early. 11 AM!

KENNY

Ok mom. Goodnight.

Kenny yells to another room.

KENNY (CONT'D)

Good night dad!

CAM

(singing)

Bye bye bye!

INT. KENNY'S BEDROOM - DAY

Kenny enters the room. He looks around at all of his awards. We see plaques and trophies that read "Most Likely to Succeed", "Best Original Dance Number", and "Shiniest Pants".

Kenny looks at himself in the mirror for a few seconds. He looks nervous and unsure of himself. We hear his phones ringtone say "You're a shining star!". He takes the phone out of his pocket and throws it across the room without looking at it.

EXT. LAS VEGAS STREET - DAY

The Starskin's limo zips down a busy street of theaters and wedding chapels.

INT. LIMO - DAY

Kenny and his parents sit in the back seat on their way to the camp. Kenny seems nervous and excited.

His parents don't seem to notice or care about his emotions.
The limo driver is a washed up KEVIN JONAS.

CAM

Kenny, you are about to have the best experience of your life. My time at boy band camp helped make me the man I am today.

CONNIE

It's true Ken. You're about to be surrounded by some of the most talented young pop singers in the world. It's a dream come true for you!

KENNY

Yeah! Yeah definitely.

CONNIE

Well obviously you'll be sent to live with all the other future front men. The most talented boys in camp. I've heard they have a new counselor this year! Of course you remember Lance Bass from N*Sync.

KEVIN JONAS

No Strings Attached changed my life!

CONNIE

Pipe down Kevin! The camp is coming up.

EXT. LAS VEGAS STREET - DAY

A neck of woods appears from between two large casinos as the limo gets closer. As they drive down the street, the large palm trees gradually become replaced by oak trees, some covered in flashy silver tinsel.

The limo pulls up to the camp entrance. There are hoards of screaming girls. Some are holding signs that read "WE LOVE YOU KENNY".

INT. LIMO - DAY

KENNY

Is this all for me?

CONNIE

It sure is my little pop star! Now
get ready for your grand entrance!

Kenny begins getting out of the limo.

CAM

Now remember what I told you son.
Who's about to be the next teen
singing sensation?!

KENNY

It's gonna be me.

EXT. CAMP ENTRANCE - DAY

Kenny steps out of the car and is immediately surrounded by
four back ground singers. They dance behind him as he walks
up toward the camp gates. A few servants grab all his
luggage. He walks up toward CAMP DIRECTOR GOLDRICH, an older
man with gelled hair, earrings, and a flashy suit.

DIRECTOR GOLDRICH

Ahh Kenneth Starskin. We've waited
far too long.

Kenny reaches to shake his hand.

KENNY

(nervous)
Pleasure to meet you. Happy to be
here.

BACKGROUND SINGERS

(singing)
Pleasure to meet youuuuu. Happy to
be - heeeeeere!

Kenny is startled. Director Goldrich laughs.

DIRECTOR GOLDRICH

You might as well get used to it
now Kenny! Stars like you will
always be attracting attention.

KENNY

Thanks I'll - I'll try my best.

BACKGROUND SINGERS

His best!

The background singers bust a move as Kenny walks away from the front desk and heads toward a stage with a sign that reads "Cabin Assignments". Kenny walks up to the table labeled "Front Men" and goes to sign in with his new counselor, Lance Bass.

KENNY

Kenneth Starsk -

LANCE

Kenny! Great to finally meet you!
No need to sign in, we know exactly
who you are! I'll never forget your
performance on Good Morning America
last fall!

Lance puts his arm around Kenny and they start heading toward the cabin.

KENNY

Thanks! It's great to meet you too.
A lot of your work is a bit before
my time, but I'm a huge fan.

BACKGROUND SINGERS

(singing)

So great to meeeeeet yo-

LANCE

Can it posers!

The background singers shut up immediately. Kenny looks relieved.

LANCE (CONT'D)

So anyway Kenny, as I'm sure you
already know, you're gonna be
living with all the other young
front men. Some of our most
talented campers. The future of the
pop singing universe!

KENNY

Yea I, uh, I can't wait!

BACKGROUND SINGERS

(singing)

He can't wait!

INT. CABIN - DAY

Kenny and Lance head into the cabin. The servants follow them in with his baggage. The background singers try to follow him in.

KENNY

Hey would you guys mind just waiting outside for a while?

They look completely lost.

BACKGROUND SINGERS

(singing off key)

As you wiiiish!

The cabin is filled with music memorabilia and awards, instruments, microphones, and a huge wardrobe filled with outfits. Kenny notices a sign with a long list of rules.

Some of the rules are "Curfew is 9 P.M.", "Always trust your stylist", "No carbs", "No original song writing" and "NO. SPORTS. EVER."

LANCE

Your bunk is right over here Kenny!

We see Ronny Turningstone surrounded by other campers and his own background singers. He has an arrogant grin on his face as he sees Kenny walking over.

LANCE (CONT'D)

Ronny this is your bunk mate, Kenny Starsk-

RONNY

Oh Lance you're so cute. The two of us don't need any introduction.

Kenny rolls his eyes.

RONNY (CONT'D)

Sup Kenny. Good to see you again.

RONNY'S BACKGROUND SINGERS

(singing)

So good to see youuu!

KENNY

You too Ronny. Hope you had fun at the party.

RONNY

Yeah. It was all right. I had to get out of there though, my agent wouldn't stop calling me.

Kenny attempts to respond.

RONNY (CONT'D)

So I'll be taking the top bunk, since the top is where I'm headed anyway.

Ronny climbs the ladder and gets in his bed.

RONNY'S BACKGROUND SINGERS

(singing)

Straight to the top!

KENNY

Hah. That's a good one.

INT. CAFETERIA - DAY

BACKGROUND SINGERS

(singing)

Gonna get some lunch yummy yummy in my tummy!

KENNY

Hey guys, uh, I know you're just doing your job and all but it's really not necessary. I'm just a regular camper okay? Take a break while I go eat lunch please.

The background singers look dejected. Kenny walks in.

The cafeteria has bright purple carpet. The silver walls are covered in memorabilia and portraits of some of the camps notable alumni - Justin Timberlake, Aaron Carter, all of One Direction.

Kenny receives his kale smoothie and tofu from one of the singing and dancing servers and looks for a place to sit.

RANDOM VOICE #1

Kenny! Come sit here!

RANDOM VOICE #2

Ayyy Kenny over here!

Ronny waves over to Kenny.

RONNY
Over here Starskin!

Kenny goes over and sits down. Ronny is with other front men and their background singers.

RONNY (CONT'D)
Starskin, this is Troy Ballard and
Howie Thicke.

TROY
Kenny Starskin. It's an honor.

RONNY
Whoa guys. Security dork at 3
o'clock!

HOWIE
Oh my god check out those losers.
Who goes to this camp to become a
security guard?

KENNY
Oh yeah. Yeah those guys are such a
joke. Like what are they even doing
here! Yeah.

TROY
I've never seen anyone with such a
terrible fashion sense! Can those
guys even spell eye-liner?!

RONNY
Tell me about it! Hey I bet those
goobers played sports when they
were kids!

The whole table laughs. BILL, one of the largest security campers, walks by the table.

RONNY (CONT'D)
Oh no I'm in so much danger! If
only I had someone with no talent
to protect me!

BACKGROUND SINGERS
(singing)
Buuuuurned!

All the tables around them laugh loudly. Bill walks away slowly.

Kenny musters up some laughter, but clearly looks sympathetic.

RONNY

All right fellas let's get outta here. Got calories to burn at choreography class.

INT. DANCE STUDIO - DAY

The studio has wood floors and mirrors on the walls. The INSTRUCTOR is a bald, skinny, middle aged man with a high pitched voice.

Kenny, Ronny, Howie, Troy, and other boys are in the class. The instructor is going through a dance routine with the boys. Kenny is keeping up, but looks distracted.

INSTRUCTOR

And one and two and three and four.
Work it boys!

Kenny looks out the window as he dances. He notices Bill and some of the other security kids outside carrying equipment.

INSTRUCTOR (CONT'D)

Annnnnnd big shuffle to the left
boys.

Kenny doesn't notice the instructions. All the boys shuffle to the left except for him. Howie slides right into Kenny and gets knocked right on his ass. Kenny snaps out of it. He sees that he leveled Howie. He looks confused but exhilarated.

HOWIE

(flustered)

What the hell Starskin! Forget how to shuffle or something?.

Kenny goes to help him up.

KENNY

Shit man. My bad.

INSTRUCTOR

Aaaaaall right boys lets shake that one off.

Kenny looks out the window one more time as the security kids walk away.

INT. TRAIL - DAY

Kenny walks out of a cabin with Ronny and the rest of the crew.

RONNY

That class is bogus. If you don't know how to write a good autograph at this point in your life than I don't even want to look at you.

The security kids turn the corner and start walking toward Kenny and the others. Bills backpack is open. Some of his stuff falls out. Ronny runs up to him.

RONNY (CONT'D)

Smooth move! How do you expect to protect us talented people if you can't even hold on to your own crap?

Bill ignores him and starts to pick up his stuff. There is a magazine on the ground. It is titled "USA Wrestling" and has a picture of two large men grappling. Kenny looks intrigued. Ronny sees it and picks it up.

RONNY (CONT'D)

What's this? Sports?! Do you realize where you are.

Bill tries to take it back. Ronny rips it up.

KENNY

Ronny c'mon.

RONNY

You're lucky I don't report you to Goldrich right away you goon. C'mon boys lets get outta here.

BACKGROUND SINGERS

Turningstone ouuuuut!

Kenny looks back at the security kids as he walks away.

EXT. OUTDOOR STAGE - DAY

There is a large crowd of people, mostly screaming girls all surrounding the stage. The security campers are also in the crowd.

LANCE

All right super stars. Now that we've been through two weeks of camp, It's time you learn how to handle yourselves when you're famous in the future.

RONNY

Psssh. The future?! I've already earned my fame Lance!

BACKGROUND SINGERS

(singing)

Rich annnnd famous!

LANCE

All right well then you can go first Mr. Turningstone.

RONNY

Gladly.

Ronny gets up on the stage.

LANCE

Annnnd Go!!

Ronny jumps off the stage, heads into the crowd, and weaves his way through the hoards of screaming girls. Ronny appears on the other side of the crowd after a few seconds.

RONNY

Didn't even need those dumb security kids!

Next up is Howie. He succeeds, but takes a little longer than Ronny. Troy goes next and performs about the same.

LANCE

Well done boys. You're next Kenny!

RONNY

Don't choke Starskin!

Kenny tries to ignore him and gets up the on stage. He looks nervous but determined.

LANCE

Go!

Kenny jumps off the stage and heads into the crowd. He quickly weaves in and out of the girls and is making record time. Suddenly, he trips.

He is immediately pounced on by a couple girls who are ready to eat him up. After a few seconds of getting clawed, he feels the girls being lifted off of him. Kenny looks up and sees that he is being saved by Bill.

Ronny gives him a quick nod and continues running through the crowd. He gets to the end and sees Lance and the rest of his group.

LANCE (CONT'D)

What happened in their Starskin?

KENNY

Nothing. Just got a little held up.

RONNY

What'd you do? Stop to hang with the security guards?!

BACKGROUND SINGERS

(singing)

Loserrrrrrrs!!

The entire group roars with laughter.

LANCE

All right all right enough boys.
Get moving, you have your
"emergency makeup" seminar in ten
minutes.

INT. CAFETERIA - DAY

Kenny has just gotten his food and is walking toward his usual table when he sees Bill sitting with his friends. He walks toward them instead.

RONNY

Hey Starskin where do you think
you're going?!

Kenny ignores him.

KENNY

Hey man, what's your name again?

BILL

Me? Uhh my name's Bill.

KENNY

Right. Well I'm Kenny.

BILL

I'm aware.

KENNY

Yeah well I just wanted to thank you for helping me out yesterday. I would've been a goner if you weren't there.

BILL

Sure man. No problem. Just doing my job.

KENNY

Well you're pretty good at it. Mind if I sit down with you guys?

The entire table looks shocked.

BILL

Uhhhh sure man. If you really want to.

Ronny glares at him from across the room. Kenny doesn't notice.

KENNY

Thanks. Hey is that steak and rice you guys are eating?!

BILL

Sure is.

EXT. OUTSIDE OF CAFETERIA - DAY

Kenny and a few of the security campers are walking out of the cafeteria after their lunch. They look like they're hitting it off. Kenny's background singers have been waiting desperately and hop up behind him.

KENNY

Wait, so you've been wrestling since you were three years old?

BILL

That's right! Mike here is already being scouted to play college football.

KENNY

That's awesome! I bet you guys must miss being able to play sports all the time when you're here at camp.

BILL

Not really. We wrestle behind our cabin almost every day. Its pretty easy since nobody really pays attention to us.

KENNY

Awesome! Lets go check it out!

BACKGROUND SINGERS

(singing)

Awwwwwesome! Lets go chee-

KENNY

(screaming)

Will you three cut that out!! I can't even think without you weirdos singing at me! Leave me alone and get a life!!

The background singers walk away, nearly in tears.

KENNY (CONT'D)

So anyway, lets go check out that spot of yours.

EXT. BEHIND SECURITY CABIN - DAY

The area is quiet. There is a small plain of grass under a group of trees.

BILL

So since the rules don't let us have any balls or anything, we usually just wrestle around and stuff. It gets pretty intense.

KENNY

Sweet! Wanna teach me some moves?

BILL

Sure bud! We'll start with take-downs.

INT. FRONT MAN CABIN - NIGHT

Kenny walks in, covered in dirt, makeup blurred, noticeably tired.

HOWIE

What happened to you Starskin?

KENNY

Oh, I, uhh, spent the day practicing at the dance studio and then I tripped and uhh fell in the dirt on my way home.

TROY

Oh wow. That sucks man.

KENNY

Yeah! Yeah I know. I should probably hit the sack. We have that dress rehearsal in the morning.

Ronny gives Kenny a distrusting glare.

INT. CABIN - DAY

Kenny wakes up. The rest of the cabin is up and getting ready for the dress rehearsal. There are stylists and makeup artists all around the room.

STYLIST

Mr. Starskin you need get up and get ready right now!

KENNY

Yup. Sorry I'm on it.

RONNY

Yeah Kenny boy. You need to get up and put on your security guard costume right away!

Kenny ignores him and starts getting dressed. The other campers look at Ronny in confusion.

TROY

(whispering)

What are you talking about?

RONNY

You'll see soon enough.

The room becomes full of whispers. Kenny continues to ignore.

STYLIST

Ohhh you boys are gonna be great! I know its only a rehearsal, but there's gonna be talent scouts there! And so many fans!

RONNY

That's right! But we won't have to worry about any of them getting to us.

KENNY

Ronny you better stop.

RONNY

We'll have Kenny Starskin and his security guard pals to protect us!!

The room erupts with commotion.

HOWIE

Is that what you were up to Starskin!? What were you doing? Wrestling in the dirt?!

TROY

Damn Kenny that's not cool man.

LANCE

How could I let this happen?!

STYLIST

Kenny darling! Say it ain't so!

RONNY

You heard it everyone! Starskin's a traitor. He's been hanging out with the security kids! I wouldn't be surprised if he's been playing sports with those losers all summer!

The room gets even louder.

RONNY (CONT'D)

Oh, and check out what I snagged from under his pillow last night.

Ronny holds up a "USA Wrestling" magazine. The room explodes with laughter.

KENNY

Everybody shut up!!! Yes! I hung out with the security kids. They are kind, genuine people who care about more than makeup and clothes and singing. I'd be friends with them any day over all of you snobs! And you know what?

(MORE)

KENNY (CONT'D)

You should probably watch your back around them because they could easily kick the snot out of any of you pretty boys!

RONNY

Oh! Isn't that nice! Well I'll be sure to give you and you're pals autographs when you're working at my first concert tour!

KENNY

That's it!

Kenny lunges at Ronny. He picks him up, wraps him on his shoulder and throws him to the ground. He then jumps on top of him and begins wailing on his face.

It takes everyone in the room to pull him off. By the time Kenny is pried off, the camp administration has already shown up. Kenny looks the happiest he has ever been.

DIRECTOR GOLDRICH

Kenny you're going to have to come with me.

STYLIST

Oh please have first aid come for Mr. Turningstone! His face is no shape to go on stage!

Ronny is lying on the ground. He is crying like a baby and his face is covered in blood.

RONNY

Oww.

BACKGROUND SINGERS

(singing)

Owwwwwwww

EXT. CAMP OFFICE - DAY

Kenny is exiting the camp office. His clothes are disheveled and he has a bit of blood on his knuckles. Director Goldrich is leading him out.

DIRECTOR GOLDRICH

I'm sorry Kenny. But after fighting a fellow camper, especially one as affluent as Ronny Turningstone, we have no choice but to expel you from camp. Your parents have been notified and are on their way to pick you up.

KENNY

I understand Director Goldrich.

DIRECTOR GOLDRICH

This hurts me as well. Such a shame to see so much talent go to waste.

KENNY

Trust me. None of my talent will be going to waste.

INT. STARSKIN LIMO - DAY

Kenny's parents are furious. They are both yelling at him simultaneously. Kenny can't be bothered.

CAM

I can not believe you would did this to us Kenneth! You have brought shame to the Starskin name!!

CONNIE

How dare you! What are we going to say to the Turningstones!!

Kenny stares out the window. His parents continue to scold him as their voices slowly fade out.

INT. WWE WRESTLING ARENA - NIGHT

The arena is filled with rowdy wrestling fans.

ANNOUNCER

Ladies and gentleman! Please welcome YOUR world heavyweight champion! Kenny Starskin!!

Kenny walks out into the arena. He has the same face but is about twenty years older. He is wearing a flashy silver outfit. The crowd goes wild, chanting his name over and over.

TV COMMENTATOR #1

Man! Is there anything Kenny Starskin can't do?!

TV COMMENTATOR #2

It really seems that way. Kenny is the best in the sport! He's one hell of a performer. I mean the guy's fashion is impeccable and he has phenomenal stage presence. Rumor has it, he has a fantastic singing voice too!

TV COMMENTATOR #1

Wow! This guy is a real pop star!

Kenny approaches the ring where he is met by Bill.

BILL

Knock em dead pal.

KENNY

For you, coach.

They high five and Kenny enters the ring.

We see an advertisement on the side of the ring that reads
"Need musical entertainment for your child's birthday party?
Call Ronny Turningstone Today"
