

Redo Machine

JULIA (30s), dressed as if she has her life together, but still is not satisfied, is sitting on a park bench holding a book in her hand. LIAM (30), walks with determination, as if he has never had an issue wooing the ladies.

LIAM

Excuse me...can I uh--

Liam points to the bench as he imitates sitting down

JULIA

I don't know, can you? But yes, you may sit down.

Liam sits down and turns to Julia, then turns back and stares ahead smiling.

JULIA

(Looking at the box in his hands)

What is that?

Liam looks around, trying to act surprised as to what she is saying.

LIAM

Oh, nothing.

JULIA

You sure it's not a "Redo Machine"?

LIAM

(Surprised)

Huh?

JULIA

(Pointing to the box)

It says "Redo Machine"

Liam looks down at the box, reading "REDO MACHINE" in all black letters.

LIAM

Dammit.

Liam pushes the button on the machine, lights flash.

Liam walks towards the bench, where Julia is sitting with the book in her lap.

(CONTINUED)

LIAM  
Excuse me...Can I uh--

Liam points to the bench as he imitates sitting down

JULIA  
I don't know, can you? But yes you  
may sit down.

Liam sits down and turns to Julia, then turns back and  
stares ahead smiling.

JULIA  
(Looking at the box in his  
hands)  
What is that?

Liam looks around, trying to act surprised as to what she is  
saying. We see that the words "REDO TIME MACHINE" is covered  
in duct tape".

LIAM  
Oh, nothing, certinally not a  
mysterious black box.

Liam laughs

LIAM  
Dammit.

Liam hits the button again, lights flash.

LIAM  
It's my laptop

JULIA  
Huh, that's weird. I am into weird.

LIAM  
Oh I'm the perfect amount of weird

Julia looks away, disgusted.

Liam hits the button again, lights flash.

LIAM  
I'm Liam

JULIA  
Liam... Are you hitting on me?

LIAM  
(Laughs)  
Do I really look like I would hit a  
woman?

Julia looks away, disgusted. Liam shakes his head realizing  
he screwed up. He hits the button, lights flash.

JULIA  
Liam... Are you hitting on me?

LIAM  
(Laughs)  
Yes, well trying.

JULIA  
Oh, well, try harder.

LIAM  
Would you like to go get coffee?

JULIA  
Harder.

Liam hits the button again, lights flash.

LIAM  
Let me take you out to a nice  
dinner then we can go back to my  
place afterwards.

JULIA  
Finally, a guy that says what they  
really want. No games or anything.

LIAM  
I want to take you home to my  
parents and show you off.

Julia, creeped out.

JULIA  
uh... what?

Liam hits the button again, lights flash.

LIAM  
I want to take you back to my  
place, and get to know you all  
over.

JULIA

Oh yes. We are going right now.

Julia stands up, dropping the book that was sitting on her lap.

Liam picks it up.

LIAM

Oh. You like reading science?

JULIA

Um... science is the word that a little kid making a volcano out of paper mase says they like. I am writing my dissertation on quantam--

Liam hits the button, lights flash.

LIAM

Oh, you like Theoretical Quantam Mechanical Physics regarding the Perceptions of Time and the Idea of Time Travel and How it Affects Human Mind?

JULIA

(Surprised)

Uhm, yeah.

Julia sits back down.

JULIA

Whats your favorite part?

LIAM

your boobs. Oh we were still talking about the book.

Liam hits the button, lights flash.

LIAM

Time Travel

JULIA

Me too!! Such a scary concept though right?

LIAM

Yeah--- Wait what why?

JULIA

Well, have you read the chapter on practical applications?

Liam opens the book and starts looking through it.

LIAM

Uhh of course I read the chapter on practical application... let me just hit this button right here.

Liam hits the button and lights flash.

Liam runs up to Julia sitting on the park bench and startles her.

LIAM

What are the consequences of time travel?

Julia, surprised and shocked since she has never seen this man before in her life.

JULIA

Excuse me. Who are you?

LIAM

Just tell me. This time doesn't count anyways.

JULIA

Who the hell are you?

Liam hits the button and lights flash.

They are back to sitting on the park bench together.

LIAM

Actually, I have not had a chance to read that chapter yet, I have been too busy actually doing time travel.

JULIA

(Surprised)

Actually doing it...?

Liam looks around, clearly satisfied with himself.

JULIA

Have you used that yet?

(CONTINUED)

LIAM

I dunno know... maybe. Yeah, maybe  
around 7 times or so.

JULIA

On me? I'm flattered that you would  
screw with your brain in a  
permanent way.

LIAM

haha...what?

JULIA

You know the reason why nobody has  
ever talked about actually doing  
time travel is because they never  
survive... right?

LIAM

Oh fuck

Liam looks off into the distance, clearly scared for his  
life.

Julia sees she has scared him and tries to make it better.

JULIA

Okay well here goes nothing.

Julia presses the button and lights flash.
