FADE IN:

INT. LOS ANGELES - BEL AIR HOTEL - RESTAURANT

BETHANY

I Love you John!

JOHN

I love you too, Beth!

BETHANY

This is just a wonderful night! Can you believe that our very first date was in this restaurant, at this very table, exactly 676 days ago?

JOHN

Yes Baby! I remember it.

BETHANY

Oh and they have the same salt and pepper shakers, can you believe it?

JOHN

Yes Sweetie! The restaurant has not changed management.

BETHANY

Oh gosh, there is also Eduardo-the waiter! Eduardo come here! We are back, Eduardo!!!

JOHN

Shhh Honey! There are other people in this restaurant!

BETHANY

Oh... I don't care! You are the love of my life! My mama and papa adore you and our children are going to be so lucky to have a truly happy couple as their parents!

JOHN

Speaking of which, baby...

BETHANY

Oh sorry John! I was so focused on tonight that I forgot you might have a reason to bring me here, in this exact same restaurant on our 22nd month anniversary. What is it?

JOHN

Listen Beth, we need to talk.

BETHANY

What?

JOHN

Listen, these two years have been the most beautiful of my li...

BETHANY

No you listen to me, you son of a bitch! YOU need to talk to ME? Are you serious?!? After all we have done together, just like this, you need to talk?!?

JOHN

Ehy Baby, just listen...

BETHANY

No no no no! I gave up my dreams for you ok? For this relationship I gave up my line of couture for dogs and this is how you repay me? Breaking up with me on the eve of our 93th week together?

JOHN

What? Ok, first of all Honey, you were just drawing dogs at your place when we first met...

BETHANY

You so don't understand me! I was a purist! I followed the steps of the great Edgar Allan Poe! I gave up everything for you, you ignorant jerk...even my virginity!

JOHN

But Sweetie, I was a virgin as well and we agreed to lose it together..

BETHANY

Yeah whatever! You totally had sex with that ugly Sally-bitch, who was your classmate in High School!

JOHN

Wait...hold on one second! Sally was just my best friend and that was years ago. You and I didn't even start dating! Wait...we didn't even go to the same high school...how do you know that?

BETHANY

Maybe because instead of you, "Mr.Need to talk", I really do love you and I ask about your past to your mom during our Sunday brunches.

JOHN

Wait Beth...you and my mother have Sunday brunches?

BETHANY

Ugh yeah! After church with your aunt, you asshole!

JOHN

Ok, what else don't I know about you? Maybe you'll even say that you cheated on me right?

BETHANY

No! Well... I just made out with Eduardo during our first date and then I had sex with him after you brought me back home...but that doesn't count alright?!?

JOHN

Oh hell yeah it does! You just had sex after our very first date and you still think that this place is special? So you weren't even a virgin when we slept together!!!

BETHANY

Oh sorry Mr. Professor, but "virgin" is until you make "love" for the first time! Sex doesn't count! Ugh, my parents were right: you really are a stupid goat!

JOHN

Ok I can't take this anymore, I'm leaving!

BETHANY

Oh yes, go! Go to that Sally and her crappy red tresses! Hope she chokes on them!

JOHN

I wanted to marry you, you stupid bitch!!!

BETHANY

What?!? What are you talking about?

JOHN

I prepared this night in all its little details just to propose to you, if you only had let me "talk"! But I was the lucky one! Because this made me realize what a true psycho you really are and you know what Beth? We are done! It's over!

BETHANY

John... wait! Did you notice they have the same menu of 676 days ago?

FADE OUT.
